Monthly News of Aldersgate United Methodist Church

*June/July 2016*

Dear Friend in the Messiah,

As Brad Haubert assumed responsibility for Aldersgate Church's website he began urging me to "blog" my thoughts and pieces of information I deemed worthy of sharing with the church body.

Indeed, I have lots of thoughts and reflections going on regarding faith and life. Some of them, actually, seem to make sense to me. So, I finally decided to risk it and see if these stirrings might make some sense or at least spur healthy reflection for those who choose to receive my "posts." I want to thank Brad for his persistence. You may want to pull him aside and give him the business for the same!

If you'd like to "subscribe" to AUMC's Pastor's Blog, go to the [www.aldersgatechurch.net](http://www.aldersgatechurch.net) website, click "Pastor's Blog" on the top menu line, and look for the "Subscribe" button on the blog page. Below is a recent blog I posted in response to a science finding and the grist it provided for my mental mill.

Blessings,  
Pastor Troy

*"NASA scientists announced 1,284 new exoplanets at a news conference on Tuesday — candidates found by the Kepler Space Telescope that have now been confirmed with 99 percent certainty. This is the largest dump of new planet discoveries in history, and it more than doubles the count of confirmed planets for the intrepid space telescope." – As Reported In THE WASHINGTON POST today.*

*"The heavens are telling the glory of God; they are a marvelous display of his craftsmanship." – The Living Bible, Psalm 19:1*

I just love the works of science. Science is the human exploration of the mighty works and wonders of God. Some say science is the enemy of faith. Nonsense. Science is the human attempt to reach out and discover the mystery of God. A physicist acquaintance once told me, "Each time science discovers something new in any field, we stand amazed at what we now know, but then we look up and discover a whole new vastness of what we don't know!"

The Heavens didn't just get bigger today. They've always been that big, and are even larger than we could fathom. What a marvelous display of God's craftsmanship! As I hear this discovery, I'm reminded that the Maker of the Heavens surely can do marvelous things by his handiwork in the human heart and mind on this here planet Earth. We sure need God's re-creating work here on planet Earth. On Sunday, May 15, at Aldersgate Church, (8, 9:30 and 11 a.m.), Dr. George Ghanem of "Holy Land Christian Solidarity Cooperative" will share with us the plight of Christian sisters and brothers in Bethlehem and surrounding areas. The Christian population of the Holy Land has dropped from 30% in the last century to about 1% today, according to Dr. Ghanem, as many Christians fled the area amidst all of the turmoil. Western Christians (I'm at the head of this line.) have, for the most part, been oblivious to the plight of these souls. Dr. Ghanem will help us to know better, and while the Heavens won't be getting any bigger as we worship, hopefully our awareness, our calling, and our world will grow as the Holy Spirit commissions us to live the prayer Jesus taught us: OUR FATHER, WHO ART IN HEAVEN, HALLOWED BE THY NAME. THY KINGDOM COME, THY WILL BE DONE, ON EARTH AS IT IS IN HEAVEN. GIVE US THIS DAY OUR DAILY BREAD, AND FORGIVE US OUR SINS, AS WE FORGIVE THOSE WHO SIN AGAINST US. AND LEAD US NOT INTO TEMPTATION, BUT DELIVER US FROM EVIL. FOR THINE IS THE KINGDOM, AND THE POWER, AND THE GLORY, FOREVER. AMEN.

## Choir News

What a wonderful addition the choir makes to the worship services at Aldersgate Church! Choir is in itself a type of small group, and a great place to get to know members of the body. We are taking a break for the summer, but please know that if you are someone who would like to offer the gift of music over the summer in place of what the choir provides during choir season (typically singing for the offertory), you are welcome to do so. Please email Sheri Dohner at [worshipdirector@aldersgatechurch.net](mailto:worshipdirector@aldersgatechurch.net) to find out more.

One of the things that is in the planning stages is incorporating a men’s choral group into worship over the summer months. If you are a man who enjoys singing, and would like more info about singing in this group, email Sheri at the above address. We are blessed to have an abundance of male singers at this church. God is doing great things, lets move together into what He has already provided and see where it takes us!

## Interested in Plugging Into Worship Ministry?

There are several places within worship ministry that we could use a few willing hearts! Training will be provided, do not fear! Step out of your comfort zone. I will list a few, with contact email addresses for more information.

**Computer Entry Team:** this team is headed up by Jen Benson, and is comprised of those who put the information into the computer that is projected on the screens during worship. If you are on this team, you are schedule approximately 1 time each month, and that happens during praise team rehearsal on a Thursday night. Rehearsal begins at 7 PM. If you have one evening each month to serve, this could be for YOU! Jen’s email is [ktjm3@comcast.net](mailto:ktjm3@comcast.net) . Again, training will be provided. Skills needed are a small knowledge of computer, and an eye for color and design. You would be in the sanctuary with the praise team as they rehearse for Sunday morning. It’s a fun night of music and fellowship.

**Computer Operator Team:** This team is headed up by Terrie Strockbine. These are the folks that project the info to the screens on a Sunday morning during worship. You are scheduled 1 time bi-monthly, and the schedule is created every 2 months. Arrival time is 7:45 AM on Sunday morning, and if you are scheduled, you work all three Sunday services. Very easy to operate, and training is provided. Terrie’s email is [tstrockbine@comcast.net](mailto:tstrockbine@comcast.net)

**Bass Player for Praise Team:** Right now we have a need for an additional bass player or two for the praise band. Although you don’t have to be a super talented musician, certain levels of ability are needed. Please don’t let that stop you from reaching out to find out more. Email Sheri at [worshipdirector@aldersgatechurch.net](mailto:worshipdirector@aldersgatechurch.net). The praise team rehearses on Thursday nights at 7 PM, you only rehearse the weeks you are scheduled. One more thing, when you are scheduled, the Sunday morning arrival time is 7 AM, and you are here until the 11 AM service is complete, meaning you are finished at about 12:15 or 12:30.

Dear Church friends at Aldersgate,

Thank you so much for the meals you provided us with after the birth of our daughter Ellery. What a blessing it was to receive those & not have to worry about cooking for several months. We are so grateful to be recipients of this wonderful ministry & hope you can pass our gratitude to all those involved. Thank you again, so much.

Sincerely,

Erin, Steve & Ellery Bray

May 2016

Carol,

Words cannot even begin to describe how supportive we have felt in the past few weeks. From the cards, prayers, meals & phone calls—we can feel that people are praying for us. It makes the biggest difference to us to have our church & family behind us.

Blessings—Ryan & Katie (Eisenhour)

Sharing the love of Christ with children Birth –5th Grade

## ***Words are Not Enough***

**“Thank You!!”** No matter if you bold it, make it large or put lots of exclamation points after it, words cannot express all the thanks to the teachers, leaders and volunteers that make Children’s Ministry at Aldersgate possible. While this space does not allow for me to list all of them, I ask you to join me in thanking those that teach on Sunday, assist in the Nursery, give up their Sunday afternoons or Wednesday evenings to play, share and give of themselves to your children. They give from their hearts...with warm hugs, a gentle word of encouragement, simply tying a shoe, holding their hand during Communion or listening to a story about what happened this week.  
Thank You Volunteers...Enjoy your Summer!

## ***Summer Teaching: Where in the World***

Our regular Sunday School is drawing to a close and Summer Sunday School is just beginning (June 12th). This Summer the children will be divided into age-appropriate classes based on the grade they are **completing**: Grades move up in September.

Two year olds will continue to meet separately next to the nursery.

3 year olds/Pre-K: Room 105

Kindergarten/First Grade: Room 207

Second/Third Grade: Room 210

Fourth/Fifth Grade: 206/208

Summer is one of those times of the year, when you hope to escape your normal day-to-day and head off on a family vacation. You'll be taking pictures for an album or to post on Facebook. These are more than pictures, they are stories capturing moments we lived. As we travel and experience the different landscapes and cultures, often we can't help but notice that no matter where in the world we are, God is already there and up to something amazing.

The prophet Isaiah writes, “The whole earth is filled with God’s glory.” This summer we’re excited for kids to experiencing that life-changing story of Jesus first and put their faith in Him.

We’ll talk about faith like this: Believing that what Jesus did can change me.

Our hope is that kids discover that no matter where they are in the world, the story of Jesus can change them, too.

## ***In order for Summer Sunday School to happen, we do need volunteers!***

Commit to just one week or two...Youth and Adults can volunteer on-line at <https://www.timetosignup.com/trailblazers/> or by contacting Jodie Dodson at 737-7923x107.

Lessons are supplied, materials are prepared, all you have to do is follow the instructions and share God’s love!

Youth are encouraged to help!

## ***There is Still Time to Register for Church Camp***

**Register on-line at [www.susumcamps.org](http://www.susumcamps.org)**

Aldersgate Church will pay 1/2 of the Tier 1 registration fee for campers. Just pay 1/2 when you register, print out a copy of your registration and submit it to Jodie Dodson and Aldersgate will pay the conference directly. Camp questions can be addressed to Jodie Dodson, 737-7923 x107

Happy Summer! Hopefully all of our teachers are resting up and spending time with their families. They work very hard and are usually ready for a break by May! This year, however, a couple of them decided they were interested in running a mini-summer camp. Karen McCollum and Jennifer Shumaker will be the teachers in our preschool summer camp the last 2 weeks of June. We are excited to offer this opportunity to current and new preschool families.

Another addition to our summer calendar will be an Autism parent support group. Each year we see an increasing number of preschool friends diagnosed with Autism Spectrum Disorder while in our program. It is such a challenging and often life-altering diagnosis, leaving parents feeling overwhelmed and ill-equipped to navigate all of the services available to their children. Thankfully, we have some amazing parents who have been through the process with their own children and have volunteered to help other parents through this journey. What a tangible way to show God's love and grace! We will probably start with once a month and see how it goes. If anyone is interested in participating in this group, please feel free to contact me. Thank you.

## Stewardship & Finance

Dear Member of Aldersgate United Methodist Church

After consideration the Stewardship and Finance Committed has decided to forgo sending out the midyear financial report. If you would still like to receive your report please contact our financial secretary, Zedna Haverstock at [zednahaverstock@aol.com](mailto:zednahaverstock@aol.com) or 717-728-0804, and she will be happy to send your report to you.

Thank you,  
Stewardship and Finance Committee

Articles for August 2016 Newsletter should be sent to the church office at [secretary@aldersgatechurch.net](mailto:secretary@aldersgatechurch.net) by **July 15th**. Thank you.

## Diving into Discipleship

Let people see a faith that is communal. Ask yourself if your church congregation manifests love for one another in such a way that it's an appealing community to people on the outside. People will more readily accept the message of the Gospel if they see it embodied in a community of Christians, not just a lone individual. Commit to being shaped into Jesus' image through your relationships in your church community. Participate regularly in worship. Join a small group. Express your love for each other through kind and encouraging words and actions. Forgive each other when you each make mistakes, and reconcile your relationships. Serve the world together. Invite your non-Christian friends to serve alongside you so they can see God's love at work up close. Evangelize through personal relationships. Rather than just inviting people to events at your church, invite them fully into your life. Have them over to your home for meals, pursue common interests together, and talk about all aspects of your life so they can see how God is at work throughout your life, not just when you go to church. When your non-Christian friends do come to visit your church, let them see how deeply you and those in your congregation are connected to one another because of how you participate in God's work together.

*Sandi Tobias, Director of Discipleship Ministries*

### Do you have the heart to hold others in prayer?

Do you find your heart hurting or hoping for others (interceding prayer)? Do you believe God is at work in every situation (not that God is pulling puppet strings) seeking to bring good? Perhaps you would like to consider joining the Intercessors in Prayer. We can give you some basic thoughts and guides to prayer and "how" you might specifically pray, but it'd be a conversation between you and God.

You would be part of the Prayer Ministry Team committing to:

Being part of an online Prayer Team, committing to intercessory prayers as you would be asked to hold specific needs/ joys in prayer.

You would also be asked to commit to praying over prayer cards. You would be given access to enter the church building between 7am and 10pm to read and prayer over these prayer requests. A schedule would be developed for a weekly/or monthly rotation to pray over these prayer cards.

Pray

Keeping in confidence those who open their hearts to cry out to the Lord in Thanksgiving, in Despair, in Sorrow, in Pain, in Hope.

Join us for the one hour informal introductory sessions on Sunday, June 12 at 3pm.

**Pennsylvania leads the nation in drug overdose deaths among young adult men**, according to a 2015 report released by the Trust for America's Health, public health nonprofit. The Center for Rural Pennsylvania concluded there is a current (Heroin) "epidemic" that crosses all geographic, economic and racial boundaries, with scores of people becoming addicted and dying in suburban and rural communities. The center's report, called "Heroin: Combating this Growing Epidemic in Pennsylvania," says 80 percent of people using heroin first became addicted to a prescription opioid painkiller such as OxyContin or Vicodin. It said nearly 3,000 Pennsylvania residents have died over the past five years because of abuse of heroin or other opioids.

The **Cumberland-Perry County Drug and Alcohol Commission** is a local resource for individuals struggling in this epidemic, or know of loved ones suffering from this form of addiction. For information including preventative and treatment resources contact the Cumberland-Perry County Drug and Alcohol Commission at:

717-240-6300 or 866-240-6300

or go to their website at <https://www.ccpa.net/115/Drug-Alcohol-Commission>.

Another source of assistance is **Narcotics Anonymous Meetings**. Narcotics Anonymous is a global organization that brings together members of the community who are either in recovery for various types of narcotics addiction or who wish to be in recovery from this devastating condition. This is a twelve-step program that was benchmarked off of the twelve steps of Alcoholics Anonymous and has evolved to provide detailed assistance to those in recovery from various types of addiction.

The group atmosphere of NA provides peer to peer support through a network of others who are either in similar stages of recovery, in earlier stages of recovery or already in the later stages of recovery. NA focuses on the disease of addiction rather than any particular drug. Regardless of what stage an individual is in, the NA approach to peer support helps those who wish to pursue a drug-free lifestyle to build bonds and develop healthy relationships with others who are also in recovery.

The Relay for Life Luminaria Ceremony is a beautiful way to recognize loved ones who are surviving cancer and to remember those who have lost the battle. At 9:00 pm on June 25th at the Mechanicsburg High School Track Field (located behind the High School), a moving ceremony will be held to quietly remember those whose lives have been touched by cancer. Candles in white and gold bags will line the walking track, each bearing the name of a loved one. The lighting of the candles symbolizes the hope and courage with which we all continue to fight cancer.
